Song Title	Artist	Album
<i>(My 11-yr old son, Sean, is at home sick tonight, so we started things off with one for him...)</i>		
Beautiful Boy	John Lennon & Yoko Ono	Double Fantasy
Sick, Sick Love	Richard Julian	Richard Julian
Love Sickness	Robert Cray	Shoulda Been Home
<i>(Bob Weir's RatDog and Charlie Musselwhite team up on this cover of an Al Green classic, followed by one from Musselwhite's latest CD...)</i>		
Take Me To The River	RatDog & Charlie Musselwhite	Fish Tree Water Blues
When It Rains It Pours	Charlie Musselwhite	Deluxe Edition
Nobody Knows	Roomful Of Blues	Standing Room Only
Love	G. Love & Special Sauce	Philadelphonic
<i>(We keep the blues thing going a bit longer...)</i>		
Tornado	Rory Block	Tornado
Funny How Time Slips Away	Lucky Peterson	Lucky Peterson
The Road You Choose	Branford Marsalis & Joe Louis Walker	Fish Tree Water Blues
Dream About The Day	Joan Osborne Band	Soul Show – Live at Delta 88
<i>(...Great vocals by Linda Hopkins on "The Road You Choose." A young Joan Osborne, recorded live in 1991, to end the set.)</i>		
Mess Of The Blues	John Hiatt	Till The Night Is Gone: A Tribute To Doc Pomus
All You Need Is Love	The Beatles	Yellow Submarine
Love Is The Seventh Wave	The Duhks	The Duhks
Seven Nights In Eire	Reckless Kelly	Wicked Twisted Road
Stumblin' In	Great Big Sea	Sea Of No Cares
<i>(...I commented on the variety and richness of the new Reckless Kelly album. It grows on you.)</i>		
<i>(Dania will be here at WDFH next Friday night, with her new band, The Antics. Here's one from her 2004 debut release...)</i>		
So What	Dania	Expatriate
Be Kind To My Mistakes	Kate Bush	Aspects Of The Sensual World

Accidents Will Happen	Elvis Costello	Girls, Girls, Girls
Silent All These Years	Tori Amos	Rare On Air, Volume One
I Can't Forget	Leonard Cohen	I'm Your Man

(...I love the spooky, short poem that Leonard Cohen reads at the beginning of that 1992 Tori Amos recording. It was written by Cohen and is entitled, simply, "Poem.")

(The Memorial Day weekend, unofficially the start of summer, is upon us...)

Summerlong	Kathleen Edwards	Back To Me
Summerland	Rooster & Ree	Urban Hobo
Velvet Days	Kristen Hersh	Hips & Markers
Flying Red Horses	John Gorka	Out Of The Valley

(...I mentioned how that last song reminds me of a recent summer vacation in the Outer Banks of North Carolina, where life-sized flying horse statues seemed to be everywhere. It turns out that about 70 of these life-sized winged horses were painted and decorated by artists, and displayed by businesses to celebrate the 2003 Wright Brothers centennial.)

I Ain't Giving Up On You	Allison Moorer	The Duel
Going Back To Harlan	Emmylou Harris	Wrecking Ball
Never Looking Back Again	Lindsey Buckingham	Rare On Air, Volume One
Let Him Fly	Patty Griffin	Living With Ghosts

(There is something very special about the 1am to 2am hour. It's undeniably late night radio...)

Late Night Radio	David Gray	Sell, Sell, Sell
We Know The Night	The Replacements	Farewell Dinner
All Night Long	Frank Christian	Greenwich Village Folk Fest '89-90
Hold On	Tom Waits	Mule Variations
Blue Moon Revisited (Song for Elvis)	Cowboy Junkies	200 More Miles

(Tom Waits plus "Blue Moon" conjures up that great 1989 Jim Jarmusch film, "Mystery Train." Waits was the late-night Memphis DJ, whose voice tied together the story. Elvis's "Blue Moon" was featured prominently).

(We let Mr. Coltrane lead us into the homestretch tonight...)

Blues Minor	The John Coltrane Quartet	The Complete Africa/Brass Sessions
Stella By Starlight	Miles Davis	Plugged Nickel Sampler
