On this special night, we featured live music and conversation with Dania & The Antics.

Dania – Vocals, Acoustic Guitar

Matt Romanov – Electric Guitar

Greg Belvedere – Bass Guitar

Jesse Romanov – Drums

Chief Engineer – Marc Sophos

It was a fast-moving two hours with the band, as we heard lots of great new songs and talked about topics ranging from the art of songwriting to the Lebanese political scene. We mentioned that Dania & The Antics will be appearing at The Pub in Brooklyn on Friday, June 24th and at Kenny's Castaways in Greenwich Village on Thursday, July 28th.
