<b>Song Title</b>	<b>Artist</b>	<b>Album</b>
<i>(A long week, and a long day. We started things off in a jazzy mood...)</i>		
Samba de la Noche	<b>Sir Roland Hannah</b>	Double Exposure
Abandoned Masquerade	<b>Diana Krall</b>	The Girl In The Other Room
No More	<b>Madeleine Peyroux</b>	Careless Love
Flash Pan Hunter/Intro	<b>Tom Waits</b>	The Black Rider
Black Crow	<b>Cassandra Wilson</b>	Blue Light 'Til Dawn
<i>(...Cassandra Wilson does a nice job with that Joni Mitchell cover on her 1993 release. That short Tom Waits piece sounds like it was made to be the intro.)</i>		
Africa	<b>John Coltrane Quartet</b>	Complete Africa Brass Sessions
Dream	<b>Jimmy Scott</b>	Dream
<i>(...We heard the legendary voice of Cleveland native Jimmy Scott. His haunting, high pitched singing voice is the result of a rare physical disorder. The NY Times called the 80-year old Scott the "most unjustly ignored American singer of the 20<sup>th</sup> Century.")</i>		
<i>(We kicked off the next set with two more jazzy interpretations of familiar Joni Mitchell tunes...)</i>		
Both Sides Now	<b>Dianne Reeves</b>	Quiet After The Storm
Black Crow	<b>Diana Krall</b>	The Girl In The Other Room
Hejira	<b>Joni Mitchell</b>	Hejira
The End Of All Rivers	<b>Bruce Cockburn</b>	Speechless
<i>(...Bruce Cockburn's new instrumental collection is cleverly titled and delightful.)</i>		
Eleven Seventeen	<b>Veronica Martell</b>	The Art Of Intimacy
Ghost Of A Chance	<b>Joe Lovano</b>	Trio Fascination
Alfie	<b>John Scofield Trio</b>	Enroute
Please Stay	<b>Elvis Costello</b>	Kojak Variety
<i>(...We heard two Bacharach/David tunes at the end of that set. "Kojak Variety" includes many of Costello's favorite songs written between 1930 and 1970, including Bacharach's "Please Stay". Three years later, in 1998, he teamed up with Bacharach to release the CD "Painted Memories.")</i>		
<i>("Kojak Variety" also includes Costello's great interpretation of this 1934 Ray Noble hit...)</i>		
The Very Thought Of You	<b>Elvis Costello</b>	Kojak Variety
To Be A Cat	<b>Michelle Shocked</b>	Got No Strings

I'll Shoot The Moon	<b>Tom Waits</b>	The Black Rider
I've Been Wrong Before	<b>Elvis Costello</b>	Kojak Variety
Paradise Hotel	<b>Eliza Gilkyson</b>	Paradise Hotel
Water Into Wine	<b>Bruce Cockburn</b>	Speechless
Persian Eyes	<b>Tony Rivera</b>	Gypsy

*(...It's always nice to listen to the fine flamenco guitar of local artist and friend of WDFH, Tony Rivera)*

Tomorrow Is A Long Time	<b>Nickel Creek</b>	Why Should The Fire Die
Buffalo Skinners	<b>Tim O'Brien</b>	Fiddler's Green
Pale Moon	<b>Shannon McNally</b>	Putamayo Presents American Folk
7 <sup>th</sup> Avenue Song	<b>Rooster &amp; Ree</b>	Urban Hobo

*(I've resisted the temptation thus far to delve into the Halloween theme, but here is a great song that describes events that happen on Halloween...)*

Are You Happy Now	<b>Richard Shindell</b>	Sparrow's Point
Think About You	<b>Eliza Gilkyson</b>	Paradise Hotel
Don't Look For Me	<b>Jeffrey Focault</b>	Putamayo Presents American Folk
Owensboro	<b>Natalie Merchant</b>	Putamayo Presents American Folk
Shine	<b>Tracy Bonham</b>	Blink The Brightest
Go To Sleep	<b>Sarah Harmer</b>	All Of Our Names
